Free Shipping in USA

Free Set Up

We take the guess work out of it. Let our team get it done for you.

Free Training

Our experts will have you using your sign like a pro in no time.

Free Support

Ongoing customer support will keep your sign up, running and looking great.

Free 5 Year Warranty

Our signs are built to last. If you leave them on 24 hours a day 7 days a week, they'll work great for at least 11 years maintenance free. We have the best warranty in the industry. It covers all parts and factory labor. We have free lifetime telephone technical and programming support. Every sign is built in the USA with strict quality control and diligent craftsmanship. They are inspected and completely tested before delivery to our customers.

281 Trillion Colors

With our high-contrast modules and brighter LED's, our signs produce the most brilliant, vivid and vibrant displays available. 281 Trillion Colors with 16-bit color depth will prevent the color banding and color loss you will find with the 16 million color 8-bit displays. We use only the best Series-A diodes in our full color displays. Creating images, animation, and video that can be seen in any lighting condition.

USA & Canada Certifications

All of our LED Signs are Made in the USA with domestic and foreign parts. They're Metlab Certified, FCC Compliant, UL Compliant and CSA Compliant. Unlike most of the other LED signs and sign companies, we are not relying on Chinese engineering or simply just assembling cheaply made Chinese parts. Our signs are designed here in the USA and we use only the highest quality components. Our signs come with a proof of certification label with a corresponding serial number which helps to verify that your sign is safe and meets local requirements.

Newest Technology & Features

Upload your own images, animations, video, audio, tables, and text. Display date, time, countdown clock and stop watch. Use built in text editor. Schedule ads to display at certain dates and times. Control your sign remotely from anywhere. Synchronous and asynchronous programming available. Display your messages in almost any language. Our software is included for easy programming. WiFi options are available with our long range Wireless Antenna system. Temperature sensor/auto-dimmer is optional.

Easy to Install

Comes ready to go with no assembly required. Built in mounting brackets and installation guide included. Easily attach to walls, posts, poles, and just about anything else. Our signs are fully self-contained, fully weatherproof and there is no need to build a cabinet. Our strong yet light weight design will help make even the tallest and toughest installations a breeze. Environmentally responsible with very low power usage. Save energy and save money. Connects to regular 110 volt power. Order 2 signs to display on both sides of a pole or a monument.

Industrial Grade & Weatherproof

The best front accessible design with individual unlocking static duty IP 67 encapsulated panels. Our seamless frame design is far superior to the cheap A-Frame or clamshell type that you will see all over the internet. The all aluminum frame is precision mitred, corner welded and finished with a Line-X coating. This is a new level of weatherproof. We use full size 320mm x 320mm modules that require half the number of connections than those of our competitors. Strict quality control with top craftsmanship. They're modern, sleek and quiet.

Covers All Parts and Assemblies

Our Signs Attract Customers and Improve Your Business

Enhance your business with an LED Sign that attracts thousands of potential customers. It boosts sales with dynamic messages and images around the clock. It's a great investment that never stops making you money. Studies show that LED (Light Emitting Diode) signs consistently outperform traditional advertising, leading to substantial sales growth. These eye-catching digital signs prompt customer action and are memorable. With the potential of thousands of passing vehicles daily, even a fraction of this traffic can significantly enhance your sales. Our satisfied customers across North America can attest to their effectiveness.

TV Liquidator is the Best LED Sign Supplier

LOW WHOLESALE PRICES - We are able to offer the lowest prices on high quality LED signs because of our massive sales volume. We sell thousands of signs to thousands of organizations. We're also a major supplier to over a thousand sign companies across the USA and Canada. They sell our signs for almost double our prices. You'll save money when you order a sign directly from us and have a handyman install it. We do not charge sales tax for customers outside of California and shipping is free. So the low wholesale prices that are shown on this website are the total prices.

FREE SHIPPING IN THE USA - We are one of the only digital signage companies that crate and ship Full Color LED Signs for free to anywhere in the United States. Most companies will charge you between \$500 to \$1,000 per sign to crate and ship depending on the size, because that's what it really costs. We do it all for free and still offer the lowest prices on better quality LED signs. For your convenience, our free shipping includes scheduled deliveries and liftgate service on certain sizes.

BEST CUSTOMER SERVICE - Call 888-885-7740 or email info@tvliquidator.com. We take all orders over the phone so we can make sure our customers are satisfied and get exactly what they need. You can pay by credit card, debit card, Paypal or check. For speed and convenience you can just email a picture of your completed check without having to mail it. Our team of digital signage experts are also computer technicians. They are the best in the business. They can answer all of your questions. We have free lifetime telephone technical support. We want to help you improve your business. We take care of our customers.

TRUSTED INDUSTRY LEADER - No other company can match our quality, price, service and expertise. That's why we are the only reputable digital signage company that posts prices on our website. Some companies will quote prices based on the sound of your voice. There are many unreliable companies that sell inferior products that do not meet local requirements. We are always making upgrades to our products. We strive for perfection. They're getting better all the time. Everyday we ship LED signs to every type of business and all kinds of government locations throughout North America. They trust and depend on us.

Thousands of Happy Customers

You see our LED signs everyday and everywhere. Our customers are large corporations, small businesses and government agencies. They include thousands of stores, hotels, churches, schools and all types of businesses. They are pleased with our products and service. Our new state of the art monument LED signs are very effective for any company in any industry.
