# The Best All-In-One Monument Signs

**Completely Customizable** - We have many shapes and sizes to fit your needs. Every part of your sign can be customized. Our design professionals will work with you to create the most beautiful logo sign. You can choose from over 200 colors for the cabinet and pedestal. If you are unsure of what you need, we have you covered. Our design team has hundreds of design templates to get the ball rolling. We also offer many LED sign sizes. All of our HD Full Color LED signs can display 1, 2, 3 and 4 line messages. Display up to 8 lines at a time on larger sizes. Display full color text, images, logos, video, animations, and stunning special effects.

**Top Quality and Weatherproof** - We are constantly improving the quality and performance of our products. Our All-In-One Monument signs are the absolute best quality. We use an all aluminum frame with a solid steel support structure. We finish the structure with durable powder coating paint. Our design can withstand the most extreme wind loads. Each monument is made with a high-grade double surface Lexan face, a Lexan vandal cover, and a climate controlled cabinet.

**The Best HD Full Color LED Signs** - All of our custom monument signs come with state-of-the-art 10mm HD Full Color LED signs. Our signs are better, brighter and have more features than other LED signs. They have low energy consumption which saves up to 90% in energy costs. They're completely silent. Advertise 24 hours a day with minimal power usage. We use high performance LED modules and the highest grade Meanwell power supply.

**Wireless LED Sign Programming** - Program signs wirelessly with our easy-to-use LED sign software. You can write and store hundreds of different rotating messages in the comfort of your office from up to 500' away. Upload your own images, animations, video, audio, tables, and text. Display date, time, countdown clock and stop watch. Schedule ads to display at certain dates and times.

**USA and Canada Certifications** - All of our all in one monument signs are designed and manufactured here in the USA American Flag with domestic and foreign parts. They are built to a higher standard than other monument signs. They are FCC Compliant, UL Compliant, CSA Compliant, and Metlab Certified. They come with a proof of certification label with a corresponding serial number which helps to verify that your sign is safe and meets local requirements. They are completely weatherproof with easy front access. They have new advanced features.

**Do It Yourself Installation** - Our All-In-One Monument signs come ready to go with our Universal Mounting System. We provide an installation template, diagrams and instruction manuals for easy setup. Simply lay the foundation, connect the electricity, and bolt the monument in place. You can do it yourself or use a handyman.

**Free 3 Year Warranty** - Our signs are built to last. If you leave them on 24 hours a day 7 days a week, they'll work great for at least 11 years maintenance free. We have the best warranty in the industry. It covers all parts and factory labor. We have free lifetime telephone technical and programming support. All 20 sizes are built in Los Angeles with strict quality control and top quality craftsmanship. They are inspected and completely tested before delivery to our customers.

## TV Liquidator is the Best LED Sign Supplier

**Lowest Prices** - We sell thousands of signs direct to the public. We're also a major supplier to hundreds of sign stores and Internet resellers across the USA and Canada. Thanks to our massive sales volume, we're able to offer the lowest prices on top quality LED signs. Sign stores and other Internet sites sell our signs for almost double our prices. So you save big money when you order a sign directly from us and have your handyman install it. We do not charge sales tax for customers outside of California. So the low prices that are shown on this page are the total prices.

**Free Shipping in USA and Canada** - We are a proud American company. Our corporate offices, showroom, manufacturing and shipping facilities are located in Los Angeles. We ship our monument signs in crates for free to anywhere in the United States American Flag and Canada or free to anywhere in the United States and Canada.

**The Industry Leader** - We ship LED signs to businesses in every industry and all types of government locations. No other company can match our experience and expertise. Our team of experts take all orders over the phone so we can make sure our customers are very satisfied and get exactly what they need.

**Best Customer Service** - Call us at 888-885-7740 or email us at [info@tvliquidator.com](mailto:info@tvliquidator.com). Our experts can answer your questions and help you with anything you need. We have free lifetime telephone technical support. We can even show you how to program your sign with your wireless remote keyboard. We want to help you improve your business. We take care of our customers.

# Our Signs Attract Customers and Improve Your Business

With it's colorful moving messages, a TV Liquidator scrolling LED sign is constantly pulling in new customers 24 hours a day. LED (Light Emitting Diode) sign owners see sales gain much more than when advertising with newspaper ads, direct mail, banners or other conventional advertising mediums. People today are attracted to a store that has gone digital. If 30 cars drive on your street per minute, that's 40,000 cars a day driving by your location. It would only take a small fraction of those potential customers to significantly improve your sales volume. This is why the small business administration says that when businesses switch over to electronic message center signs, they can see upwards of a 150% increase in revenue.

## Thousands of Happy Customers

Our customers are large corporations, small businesses and government agencies. They include thousands of stores, hotels, churches, schools and all types of businesses. We also sell thousands of signs to sign retailers. Our LED digital display signs increase revenues in every industry.

## How to Install the All-In-One Monument Sign

#1

### Prepare The Site

Excavate the hole's length, width and depth using the provided specifications.

#2

### Pour The Concrete

Pour the concrete and install the anchors to the wood cross members and conduit.

#3

### Install Pedestal

Install the pedestal in correct orientation and adjust leveling nuts accordingly.

#4

### Install Cabinet

Align your sign with the pedestal and use the provided bolts to fasten them together.
